

Foreclosure.com and Randy Patrick discuss 6 Million Homeowners Struggling and the Housing Market

Foreclosure.com has launched a series of video interviews with real estate experts across the US to help home buyers find opportunities in the housing markets.

BOCA RATON, FL, UNITED STATES, July 8, 2025 /EINPresswire.com/ --

Foreclosure.com, the largest distressed property listing provider on the web, is sponsoring a series of video interviews with local area real estate experts across the country to discuss their housing markets and where opportunities lie in the foreclosure, pre foreclosure, short sales, tax liens, bankruptcy homes, and other distressed asset types.

Tim Jones, National Sales Manager for Foreclosure.com, conducts in-depth conversations aimed at educating home buyers, investors, and resale specialists about market conditions in their specific areas. Tim speaks with housing market expert Randy Patrick to discuss what the data shows and where things might be headed. With over six million homeowners behind on their mortgages, are we heading for another 2008-style crash, or is this just a correction in a red-hot market?

This video is called "6 Million Homeowners Are Struggling" and can be viewed on the foreclosure.com website. The link to watch the video is here:

By targeting distressed deals such as bank-owned homes and government foreclosures, pre foreclosure listings, and foreclosure auctions, foreclosure.com offers information that can lead to significant savings. It provides the best real estate deals for savvy home buyers, often before they hit the market. And foreclosure.com updates its nationwide database of foreclosure listings twice a day with information obtained directly from hundreds of corporate sellers and government agencies. While on the foreclosure.com website, visitors can also subscribe to their [helpful email alerts](#).
